TOUGHER THAN THE COMPETITION

AND HERE TO HELP...

Throughout the region, many homeowners are relying on grant funding to fund their elevation project. This grant funding will help you elevate your home with no money out of your pocket. Not only is Davie Shoring the largest and most experienced in the region, we're also extremely knowledgeable in the grant process and are available to assist you.

EXPERTISE THAT SHOWS...

As our company assists with the elevation of your home, we'd like to express what makes Davie Shoring stand out from our competitors.

Superior Product – Davie is the only company using the Patented Permalock system

Experience – Davie Shoring has elevated more slab homes than all of the competition combined

Capacity – Davie Shoring has the capacity to lift approximately 50 homes a month (more than any other in the industry)

Time Out of Home – Shorter time frame from start to finish means less time out of home for you (time is typically 1 to 2 days)

On the Job – Did you know that some other companies will have crews working on multiple homes at one time? Davie Shoring

won't leave your home until the job is completely finished

Turnkey Process – Davie Shoring will provide a complete turnkey job (Electrical, Plumbing, A/C and steps)

Paperwork – Davie Shoring will assist you with all necessary grant paperwork

Warranty – Davie Shoring offers all of our customers a Superior Transferable Warranty (read the fine print)

Since 1993, Davie Shoring has assisted this community with their shoring and elevation needs. As changes occur in our industry, we will be available to help you navigate through the processes and procedures in place to make this a seamless process for you and your family. We have the team in place to assist you through this HMGP process and are available to answer any questions that you might have.
